

**Double your impact for local girls by participating in your employer's matching gift program.**

Many employers match monetary gifts made by their employees to non-profit organizations like Girls Inc. of Chattanooga. The process of obtaining a matching gift is usually as simple as filling out a form through your Human Resources department.

If you or your spouse work for or have retired from a company that has an employee matching gift program, check to see if your donation qualifies. Even if you've already given this year, your donation may still qualify!

**Your employer can send the matching gift to:**

Girls Inc. of Chattanooga  
4505 Brainerd Road Suite 110  
Chattanooga, TN 37411

**For more information** contact Taylor Hixson, Chief Development Officer at [thixson@girlsincofchatt.org](mailto:thixson@girlsincofchatt.org)

Some employers also offer Volunteer Service programs where the corporation will make a financial gift on behalf of the volunteer efforts of its employees.
