# Tech-Know Girl

**girls  
inc.**®

Are you an elementary school-aged girl? Do you love tinkering, experimenting, building, and discovering new things? Then Tech-Know Girl is for you!

Tech-Know Girl is a hands-on after school STEM program for elementary school girls that encourages the exploration of their world through science, technology, engineering, and math.

The club meets Mondays and Wednesdays at Washington Hills YFD Center and Tuesdays and Thursdays at Shepherd YFD Center.
